Where to apply for a Schengen visa:

If you are not a resident of Pakistan you should apply to the Embassy or Consulate in your country of residence. You have to apply at the Visa Services of the European country of your main destination (normally it is the country of the longest visit). Under no circumstances a country where you wish to make transit can be considered the country of main destination. If a main destination can not be determined you have to apply at the Embassy of the country of first entry.
